Proceeds to help with funeral expenses  
for WENDY DUERKSEN

Wendy Duerksen, a single mom passed away July 5, 2017 leaving behind her 14 year old daughter whom resided with her and a 26 year old daughter currently residing in Massachusetts. Her younger daughter was the Wallace Junior High Valedictorian 2016-2017 and will be going to live with her father in Texas.

Being a single mom with barely enough resources to make it month to month, Wendy was a proud member of the Parker United Methodist Church. She was always willing to help anyone who was in need. She will be missed by the community. She gave her heart generously, now we are asking for you to help give to her family in this time of need.
